

G-bags Walk Bag

Others sell bags that swing and sway and are not secure. Our bags are mounted tightly and secure your items with a zipper that has a flap right over it, concealing the zipper to others! The G-bags Walk Bag is a fashionable, lightweight, and made with 1000 "D" Cordura nylon. All our products carry the G-bags Quality Guarantee!

Heavy duty zipper will last for years!

Helping to keep your items secure!

Easily attaches to a Variety of walkers in a variety of points with 4 double sided Velcro loops!

This G-bag was designed and manufactured in the USA

Excellent tear strength * Very abrasion resistant * Water resistant Heavy-duty stitching * Zipper top closure

G-bags Walk bag uses double side Velcro brand straps to secure it to the user's walker. Velcro closures firmly secure the bag to the walker, but are easily manipulated to allow the user to remove and reattach the bag as needed. Bag contents are nice and secure with industrial strength but easy to use zipper, having a zipper means your items are secure, yet allows easy access to frequently used items such as cell phones and glasses. The bag measures 15 3/4 inches from side to side and is 6 3/4 inches top to bottom of the bag.

Also for use with: Walkers, as a Wheelchair Tote Bag, nice as a Bed Rail Bag or as a Stroller Bag

Available in the following colors:

Dusk Ocean Rally Sandstone Midnight Quicksilver

(Due to variability in production and manufacturing process, color variations may vary.)
